

IN GOD WE TRUST: LEADERSHIP

1

Who we choose to follow has a significant impact on our lives everyday. What're some examples of people that you've chosen to follow?
(Friends, social media influencers, youtube accounts, etc.)

2

Read 1 Samuel 8:4-7, 18-20. Israel wanted a king "like all the nations" and rejected God as their true King. When you've chosen to follow others before following God, how has that impacted your life?

3

How we choose our leaders is really important. What are some things you should evaluate in a person before choosing to follow them?
(Character, obedience to God's Word, integrity, how they treat others, etc.)

4

Read 1 Samuel 12:12-15. A godly leader is one who leads others to follow our true King. Who is an example of a godly leader in your life that you want to follow and imitate? Do you feel like others would consider you to be that kind of leader?

5

Read 1 Samuel 15:24-30. Saul cared more about his platform, title and reputation than he did about the people. What are the right motives for someone to be in leadership?

6

Read 1 Samuel 17:31-37. David, despite only being a young shepherd boy, decided to lead before he had the title of a "leader". In what areas of your life can you be a leader right now?

7

From David's lineage came Jesus, our ultimate King. In what ways is Jesus our model of perfect leadership? Read Mark 10:45.
(Jesus wasn't seeking His own glory, He lead by serving, He laid down His life, etc.)
