

Serve Where You Are

"In the same way, let your light shine before others, that they may see your good deeds and glorify your father in Heaven." - Matthew 5:16

Project: Thank-A-Teacher

As the new school year begins, take some time to go out of your way to thank the teachers who love on your children. This can include school teachers, MDO teachers, daycare workers, gymnastics/sport coaches, and Sunday school teachers. Encourage and thank them as they start out this new school year. Drop off a little thank you note, cookies, a small gift, or something homemade. Encourage these teachers with a Bible verse and remind them that you are praying for them this year. Make it fun!

Discussion:

Use this as an opportunity to talk about thankfulness. 1 Thessalonians 5:18 says, "Give thanks in all circumstances; for this is God's will for you in Christ Jesus." God has uniquely placed each of us in a community with specific teachers, coaches, etc. in our life. We are to respect them, honor them, and show them the love of Christ. Pray with your children for these people in your life and pray for opportunities to share Jesus them.

- Who are the people that God has put in your life each week?
- Name at least one thing you are thankful for about them.
- Why is it important to obey and respect our teachers and coaches?
