Your Role as a Lifegiver

	PHYSICAL	EMOTIONAL	SPIRITUAL
Created	<ul style="list-style-type: none"> • Our bodies can sustain life in/out of the womb • God loves life! • Humans are uniquely created in the image of God 	<p>We nurture life through</p> <ul style="list-style-type: none"> • The home we provide • The words we speak 	<ul style="list-style-type: none"> • We are to continually point our children to the worship of God
Fallen	<ul style="list-style-type: none"> • Our bodies suffer • The world has a skewed view of childbearing 	<ul style="list-style-type: none"> • Our homes are always moving towards chaos • Our words and tone are full of sin 	<ul style="list-style-type: none"> • We give our children to our idols
Redeemed	<ul style="list-style-type: none"> • We have HOPE in the seasons of pain • We have COMPASSION for others 	<ul style="list-style-type: none"> • Christ's LOVE compels us to order our homes and use loving words • He provides RENEWAL for the job 	<ul style="list-style-type: none"> • Though we sin, we REPENT of our idols • We have FAITH that God is good and in control
Our Involvement	WE HAVE FULL PARTICIPATION IN THIS FORM	PROMINENT BUT NOT ENTIRE PARTICIPATION	NO CONTROL, ONLY INFLUENCE

Gracious words are like a honeycomb,
sweet to the soul and health to the body.

Proverbs 16:24

Christianity, if false, is of no importance, and if true, of infinite importance. The only thing it cannot be is moderately important.

- C.S. Lewis

“Women, whatever happens, do not harden your hearts. Lifegiving is an essential part of your God-given womanhood. He wants to use us day after day to give life, and we must have compassionate, tender, nurturing, and loving hearts for the job.” - Barbara Mouser
