# Kaleidoscope

Kaleidoscope's goal is to provide encouragement, accommodations, and inclusive environments for children and students with disabilities and additional needs on Sunday's and during the midweek. Everyone is given the opportunity to worship, play, learn about Jesus, and grow together with their peers in an appropriate setting.

This is a 1:1 buddy pairing system.

# rEcess

**Parent:** rEcess is 4 hours of respite here at the church. It gives the parent an opportunity to get rest and reconnect with a significant other or have some “me” time; knowing their children are being well cared for.

**Children:** A child experiencing disability are paired 1:1 with an adult friend whose sole objective is to make rEcess the best night of their week with games, movies, snacks, toys, entertainment, etc.

**Siblings:** rEcess is also a break for our siblings to have lots of fun and connect with other siblings who understand what it is like to have a brother or sister experiencing disability.
